The Instant Paypal Payments Sysyem.

How to setup everything:

Step 1:

go to www.neobux.com and click ads.

-Reason: we need 16 dollars for future use ok.

-Time: Be patience, it will take time to make 16 but if you already have \$16 that's good!

Step 2:

go to www.wix.com. (free websites)

- Create an account.

- click on: "create" to create your website.

- We need a place to work on... a place where we are going to sell our new product. (this is not affiliate marketing ok)

- make your website nice and proffecional (take your time)

Step 3:

-create a PayPal account (www.paypal.com).

Reason: this is where we will receive the money.

Step 4:

- Create a unique product.
- I created Instant Paypal Payments System, Now it's time for you to create something SIMILAR OK. (don't give up..)
- For example: do what i did Instant Paypal Deposit, i'm giving you
- Permission to use this script and sell it to people.
- Just Create a new name for it!! it can be: bobo system Etc.

Step 5:

- upload your product or system or guide to Meriafire.com

Step 6:

- In your website, create a second page.
- For example: www.yourwebsite.wix.com/secondpage
- In this page, put the download link of your product.
- and then name your page: purchased or something similar.
- for example: www.yourwebsite.wix.com/purchased
- this page will receive all the people who bought your product so they can download it and be happy with it.

Step 7:

- Now go to paypal.com and go to the: "Merchant Services" tab.
- once you're there, go to: "create payment buttons for your website" section.
- click on:"create a button".
- for "item name" write the name of your new product.
- for example: the example used in Step 4.
- for "price" put the amount you want.
- you can do: \$4.00 or \$7.00 depending on the hard work you do
- For "shipping" and "Tax" ignore those ok.
- now click on "Customized advance features"
- for the first question click: no
- for the second question click: no
- for the third question click: no
- now check the box that says: "Take customers to this URL when they finish checkout"
- and paste your website's second page.
- for example: www.yourwebsite.wix.com/secondpage
- remember step 6? :)
- so that way, after the people buy your product, paypal will send them to the download page.
- Now Click on: "Create Button".

- Now go down and in the tab that says: "Website" there is a code.. now copy the code.

Step 8:

- Go to wix.com and edit your website again.
- go to the first page (main page)
- in the left side, there are some tools, click on:
"App Market"
- in the search box, type: html
- there will be 4 results... click on the second one ok.
- the one that says: iframe / Embed
- click on: "add to site"
- in the settings, there will be a box with two options:
- "website", and "code"
- click on: "code"
- a text field will appear, now paste the code
- Once you paste it, do down and click: "update"
- A Paypal Button Will Appear. (that's your button!!!)

Step 9:

- Create a video.
- you can use Cam studio(free) or camtasia studio to record the screen and to
- Edit the video.
- before the video, open "notepad" and type about things you are going to say in the video.
- do your best...

Step 10:

- Upload your video to youtube but make the video "Unlisted"
- do to that, go to: video manager, edit video,
- in the right corner there will be a box with 3 options...
- choose the option that says: Unlisted.

Step 11:

- click on your video to watch it.
- under the video, click on shared,

- copy the embed code.

Step 12:

- go to wix and open your website builder.
- again go to the "App Market"
- search for: video.
- Click on the first result ok. click add to site.
- click on settings.
- in the "video URL" PASTE the video Url ok
 - (the code from step 11)

Step 13:

finish your website by adding some cool stuff or some cool designs etc...

Step 14:

- go to neobux.com.
- click on your username.
- click on: "Advertise"
- with the \$16 dollars you have, Buy 10,000 microexposure clicks... (don't be scared, just do it)
- wait 3 minutes...
- now, on your left side, go to the: "Advertisements" section.
- click on "Add another advertisement"
- put the name, description of your website and the link.
- for example: name: turbo paypal description: new system.link: www.mywebsite.wix.com/bobosystem <--that's an example
- now click submit.
- Neobux is going to review your website.
- wait 15 or 20 minutes or wait until neobux validates your website...
- Once neobux validates your website,
- click on distribute clicks.
- now distribute the 10,000 click to your website...
- click on "start" at this time, neobux will show your website to 10,000 people

Step 15:

- close the browser and relax... do it at night so you can go to sleep...

Step 16:

- Now go to neobux.com
- go again to the left on "Advertisements"
- your website should have already 10,000 visits :)

Step 17:

- Go to PayPal.com
- Login And Look At Your Earnings!!

Step 18:

- Now you should have more money to buy more microexposure clicks..

Step 19:

- Repeat step 14. (optional) But if you want More money do this:
- this time, do not buy 10,000
- this time, BUY 25,000!!!!
- Repeat the process from Step 14 BUT THIS TIME WITH 25,000 people!

Step 20:

- Relax, Go to sleep.

Step 21:

- again repeat Step 17!! (Look at your earnings!)

Step 22:

- now you will have More more money!!

- if you want more, Repeat step 14 But this time, with 50,000 people!
- if you cannot afford that yet, do it again with 25,000 people :)

Step 23:

keep doing the same thing again and again! IT WORKS 100% Real...

Step 24:
